

Welcome to Fairhope! I am happy to have you in our city for the 9th Annual Fairhope Film Festival. For more than 125 years, Fairhope has identified itself as an arts community, and this festival is a good example of how diverse the arts community truly is in Fairhope.

As you enjoy the award-winning films presented during the next four days, we hope you will take time to stroll our streets and see the best we have to offer in shopping, dining, nature and, of course, Southern hospitality. We hope you enjoy your stay and plan to come back soon!
